Requirement for Source Reported in Naval Message 2640

REF : Naval Message 2640, 30 November 1957, from CINCELM Rep Germany to CNO

Background

1. The referenced Navy Department message concerns a recent defector who trained on a Riga Class destroyer. Requirements concerning this class ship were requested.

Requirement

1. Have source give a detailed breakdown of this ship's organization, with ranks and numbers of personnel in each section of the ship.

2. Have source give any specific pay data known to him.

3. Have source present his estimate of the pay relationships (where specific pay is not known) between organizational units, i.e., deck to engine room, fire control to gunnery, etc.

4. Have source give the terms of service of East German naval personnel.

5. If source has any knowledge of a parallel sort on the USSR navy the above questions are applicable here also.
